DETAILED ACTION

Response to Amendment after final or Advisory Action Status of the amendment after final rejection

New issues: The following proposed amendments raise new issues requiring further consideration and/or search:

Claim 2, lines 10-11.

Status of the pending claims after final rejection

See final rejection.

Response to Arguments

Applicant's arguments filed 11/08/04 have been fully considered but they are not persuasive.

In the telephone interview on 09/016/04, the examiner has indicated that if the original claim 2 is added to claim 1, claim 1 would be allowable. However, the limitation added to claim 2 in the amendment after final of 09/16/04 is not the same as the limitation recited in the original claim 2.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Long Pham whose telephone number is 571-272-1714. The examiner can normally be reached on M-F, 7:30AM-3:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on 571-272-1705. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
